

December 5th, 2016

To the Editorial Board of the Journal of Communications in Nonlinear Science and Numerical Simulation,

I have the pleasure of sending you the manuscript entitled "Nontrivial behavior of the fixed-point version of 2D-chaotic maps" authored by L. De Micco, M. Antonelli and H. A. Larrondo to be considered for publication as a research article in your prestigious journal.

The paper is containing original research and has not been submitted / published earlier in any journal and is not being considered for publication elsewhere. All authors have seen and approved the manuscript and have contributed significantly for the paper.

We hope that it will interest your audience.

Kind regards,

A handwritten signature in blue ink, appearing to read 'LUCIANA DE MICCO', written over a horizontal dotted line.
